SUMMERY

Skilled React.js Developer with 2 years of hand-on experience building dynamic web applications. Proficient in JavaScript, HTML, CSS, React.js, and Redux-toolkit. Adept at translating client requirements, optimizing performance, and collaborating with teams to deliver high-quality software products.

SKILLS

- Language : JavaScript, Node.js
- Web Technologies: HTML5, CSS3
- Framework and liabrary: React.js, Express.js, Bootstrap5,Material UI
- DB Language : MongoDB
- Operating system : Windows
- Tools and Technologies: Visual Studio,Sublime,Postman,git,github

EDUCATION

- BCA | Govt. Collage Ateli   2020-2023
- XIIth Commerce Govt. S.S.S. Ateli   2018-2020

TRAINING

- MERN STACK DEVELOPER | Industrial Training   06/2023-01/2024
  Ducat Gurgaon

PROJECTS

- **SHOPING CART-** Developed a dynamic shopping cart application using React and Redux Toolkit with AsyncThunk for efficient state management and asynchronous operations. Implemented features for adding, removing, and updating items, ensuring a seamless user experience.

- **SHOPING DESHBOARD-** Built a robust shopping website dashboard using React, Axios for asynchronous operations, and CRUD functionality. Implemented secure login/signup pages and configured seamless routing for enhanced user navigation and experience.

- **EXPENSE TRACKER-** Created a React-based Expense Tracker project for efficient financial management, featuring income and expense tracking with add, edit, and delete functionalities. Implemented responsive design for seamless usability across devices, prioritizing intuitive user experience.

- **MY UNIVERSITY-** Transformed a static website into a dynamic React.js application, enhancing interactivity and user engagement through component-driven development and efficient state management. Integrated modern UI/UX principles for responsive design and seamless navigation across all platforms.

- **PORTFOLIO-** I developed my portfolio using React.js, React Router v6, and React-Bootstrap. The project showcases my proficiency in modern web development technologies, featuring a seamless navigation experience and responsive design. This portfolio effectively highlights my skills and projects, offering an engaging and user-friendly interface.

Declaration-

i hereby declare that the information provided above is true and accurate to the best of my knowledge and belief.
